

## BRENTWOOD CONSERVATION COMMISSION

---

Meeting of August 12, 2015

Members in attendance: Doug Cowie, Heather Dudley-Tatman, Heather Gilbert, Jeff Donald, Emily Schmalzer, and Rob Wofchuck, chair

Selectmen's Rep in attendance:

Alternates in attendance:

6:00PM Sig Sauer Academy Site Visit to review area of facility impacted by conditional use permit for wetland buffer impacts.

Meeting convened at 7:05PM at Town Hall

Following the Sig Sauer Site Visit facility located of Exeter Road (Route 27); the project was reviewed and discussed. Cowie moves to authorize Wofchuck to write a letter to the Planning Board stating that the commission has no objections to the proposed plan but suggesting the use of storm water management practices. Gilbert seconded and the motion passed.

Cowie moved the June minutes and Gilbert seconded and the motion passed.

Wofchuck presented the Rockingham County Conservation District survey. The commission reviewed and decided to complete as individuals.

Jeff Littleton will present an update on the land management plans at the next meeting as he had to cancel his attendance for tonight's meeting.

Wofchuck presented an update on the Outreach Program:

1. Newsletter Articles – Cowie has the September article.
2. Sign for the town rain gardens have been approved ordered.
3. Events the commission discussed options for the RCCD presentation on invasive species. Commission would like to complete the hands on removal option. Wofchuck to confirm a partner or location for the workshop.

Wofchuck presented bills to pay:

1. Wofchuck presented a bill for \$91.00 for the rain garden sign at the library. Donald moved to pay from the project funds.

Commission would like to complete a fall town and river cleanup event. October 3 picked as the date. Dudley-Tatman will confirm availability of recreation center and to put announcement in the newsletter.

At 8:50 PM Donald moved to adjourn, Cowie seconded and the motion carried.

Respectfully submitted by Heather Dudley-Tatman
